Description

We present the Jeanneau Leader 10, a 2011 model, measuring 10.55 meters in overall length. This used vessel features a sturdy fiberglass hull, ensuring durability and performance on the water. Powered by two Volvo Penta D4 diesel engines, each with 260 hp, it promises exciting speed and reliability with 707 hours of use. The interior boasts two well-equipped cabins, offering ample space to relax and enjoy comfort. The boat is equipped with modern amenities, including joystick control for effortless maneuvering and an electric windlass for convenient anchoring. Whether you're planning a day on the waves or a weekend getaway, the Jeanneau Leader 10, affectionately named "MANGO," combines style, performance, and comfort, making it an excellent choice for any boating enthusiast. Experience the thrill of sailing with this exceptional vessel!
