Description

We present the Jeanneau Merry Fisher 855 Marlin, a remarkable motor yacht from 2013, measuring an impressive 8.72 meters in overall length. This second-hand vessel features a sturdy fiberglass hull, ensuring durability and stability on the water. Powered by two YAMAHA outboard engines, each with 200 horsepower, the Merry Fisher 855 Marlin promises exciting performance and reliability, with only 635 hours of use. This yacht is designed for those who appreciate the thrill of sailing, making it perfect for both leisure outings and adventurous excursions. The careful design includes essential features that enhance the sailing experience, ensuring comfort and ease of handling. Whether you are fishing, exploring, or simply enjoying a day on the water, the LUNA is equipped to meet your needs. Experience the joy of sailing with this exceptional vessel, where quality and performance seamlessly come together.
