Description

We present the elegant Beneteau Monte Carlo 27, an impressive 2009 motor yacht that combines style and performance. With a total length of 8 meters, this vessel is made of durable fiberglass, ensuring both strength and aesthetic appeal. Powered by a reliable Volvo Penta 5.7 GXI-J inboard engine, it features a stern propulsion setup, providing an exciting boating experience. With 727 hours of operation, this yacht is ready for new adventures on the water. The Monte Carlo 27 is designed for comfort and functionality, making it an ideal choice for day trips or weekend getaways. Its well-thought-out layout and modern features ensure a pleasant experience for everyone on board. Whether you're cruising along the coast or enjoying a quiet day at anchor, the BAROS 2 promises to deliver unforgettable moments on the water.
