Description

We present the impressive 2014 Sessa Marine Key Largo 34 OB, a remarkable motor yacht that embodies elegance and performance. With an overall length of 9.99 meters, this vessel is made from durable fiberglass, ensuring both strength and style on the water. Powered by two Yamaha F300 engines, each delivering an impressive power of 300 kW, this yacht promises exciting adventures with a total of 600 kW at your command. With only 232 hours of use, these engines are ready for new journeys. Designed for comfort, the Key Largo 34 OB features a well-equipped bathroom, enhancing the onboard experience. The thoughtful design and quality materials make it an ideal choice for both relaxation and entertainment. Whether you're cruising the coast or enjoying a day with friends, this motor yacht is a perfect blend of luxury and performance, ready to create unforgettable memories on the water.
