Description

The Sessa Marine C44 is a sports cruiser that combines elegance, comfort, and excellent sailing performance. Designed by the prestigious Italian shipyard Sessa Marine, it stands out for its modern exterior lines, spacious areas, and a layout specially conceived to enjoy the sea with all the comforts.

With its **13.85 meters in length and 3.99 meters in beam**, this vessel offers excellent habitability, both in its exterior areas and inside, with spaces carefully designed to combine sports navigation with the comfort of a true cruising yacht.

This unit from the year 2022 features an attractive aesthetic configuration, with the **hull in metallic Air Blue**, combined with elegant exterior upholstery in white and bluish-gray tones, teak finishes with black joints, and equipment oriented towards comfort, navigation, and autonomy on board.

Among its main attractions are its electric opening Hard Top, spacious sunbathing areas, a comfortable exterior cockpit, two independent cabins, two full bathrooms, an equipped kitchen, and an excellent distribution of interior spaces.

In addition, it has numerous additional equipment elements, including a generator, interior and exterior climate control, a bow thruster, an electro-hydraulic platform, a hydraulic gangway, Raymarine electronics, a Volvo Penta autopilot, and various entertainment systems.
