Description

The Jeanneau Cap Camarat 9.0 WA Series 2 stands out for its extraordinary balance between sportiness, elegance, habitability, and performance.

Its *Walk Around* design allows for comfortable movement throughout the vessel, offering a spacious sunbathing area at the bow, a roomy cockpit with different seating configurations, and a practical folding side terrace that significantly expands the leisure space by the sea.

Thanks to its **two 250 HP Yamaha engines**, it offers excellent navigation performance, while the **Yamaha Helm Master Joystick system and the autopilot** provide a superior level of comfort, precision, and ease of maneuvering.

Below deck, it impresses with its spaciousness and efficient use of space, featuring two sleeping areas, a convertible lounge into a double bed, an interior kitchen, and a separate bathroom.

An ideal vessel for enjoying days of sailing with family and friends as well as for comfortable getaways of several days.
